

INTENT TO MINE

The Whitfield Company has applied to the S.C. Department of Health and Environmental Control (SCDHEC) for a permit to mine sand in South Carolina. A proposed reclamation plan has been submitted indicating the site will be restored to a pond and grasslands after mining. The proposed mine is located in Charleston County approximately 1.7 miles east of the Dorchester county line at SC primary highway 61 (Ashley River Road). Specifically the site is located 0.7 mile southwest of Ashley River Road. Comments or inquiries concerning this application should be sent to the attention of Ed Haigler, SCDHEC, Division of Mining and Solid Waste Management, Bureau of Land and Waste Management, 2600 Bull Street, Columbia, South Carolina, 29201, phone (803) 896-4266. Comments must be received by the SCDHEC before 5:00 p.m. on January 25, 2007. The proposed mining project is located within the S.C. Coastal Zone and this advertisement serves as notification to the public of the commencement of the S.C. Coastal Zone Consistency review. Any individuals with disabilities or special needs who want to review the file should contact the Department at least one week prior to the end of the comment period to discuss any special services required.
